Raise self-esteem of PP pupils and build resilience	<p>To improve social and emotional development of the pupils. To be able to effectively support children with significant emotional needs:</p>	<ul style="list-style-type: none"> To improve social and emotional development of the pupils through use of school counsellor HT supporting high needs pupils on 1:1 basis - additional HLTA support in class enables children to be supported and challenged at their level. Children who may find an aspect of a lesson difficult will have immediate support from the HT to overcome this. 	<p>New Start Counselling Summer 1 £480 Summer 2 £560</p> <p>Total £1,657</p> <p>HLTA x2 days a week 5 hours £2,260</p> <p>Total = £5574</p>	<p>All children have an opportunity to talk to an adult in school weekly and whenever else they want to and progress for these children has never dipped despite the barriers to learning that exist.</p> <p>Further targeted support for high needs pupils from the School Counsellor.</p>	<p>The overwhelming majority of PP children have attendance of over 95%.</p> <p>Where attendance is below 95% school has worked well with parent to improve attendance over time.</p> <p>Pupil attitude questionnaire shows children are overwhelmingly happy in school, know that they can talk to an adult if they are worried and believe that behaviour is good.</p>

<p>Additional and unexpected spend: School lunches during lockdown</p>	<p>To ensure that all FSM pupils were able to have a lunch daily.</p>	<p>Rational:</p> <p>Initially vouchers were only available for a limited number of supermarkets. Many FSM families did not have access to a car and relied on public transport. Others were isolating or shielding.</p> <p>A trip to the closest supermarket would have been a 1 hour 30 trip with a change of bus just to get there. This was not an option for our FSM families.</p> <p>LCC had also stopped providing packed lunches and school were asked to find their own 'local solution'.</p> <p>Stalmine sourced own provisions to be able to provide packed lunch boxes</p>
		<p>Total £20100</p>
<p>Any additional support for PP children is taken directly from the school budget</p>
